

Gradebook Part 2

Sync PowerSchool with Schoology

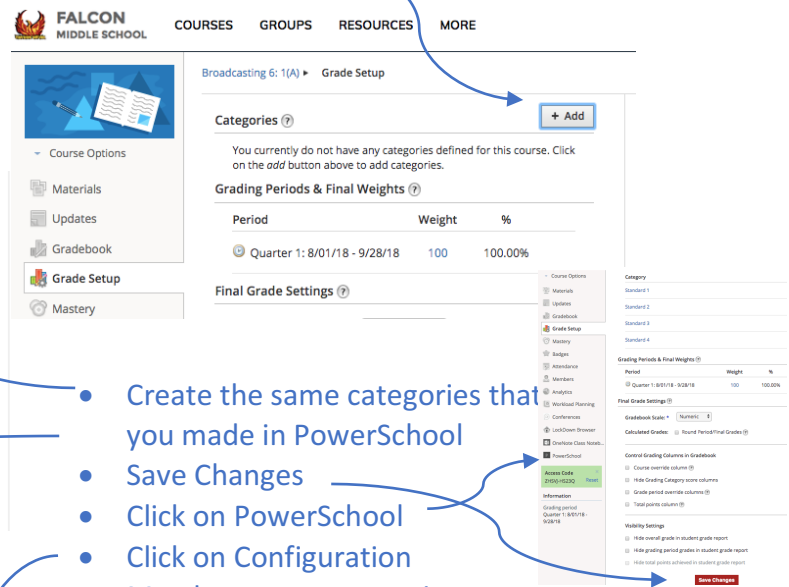

Note: This feature is not fully implemented yet. Please keep backup copies of all grades.

Setting up Schoology Categories

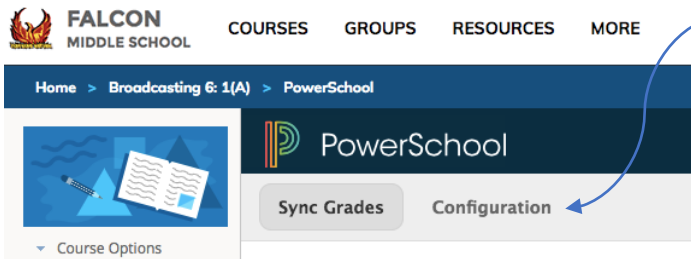

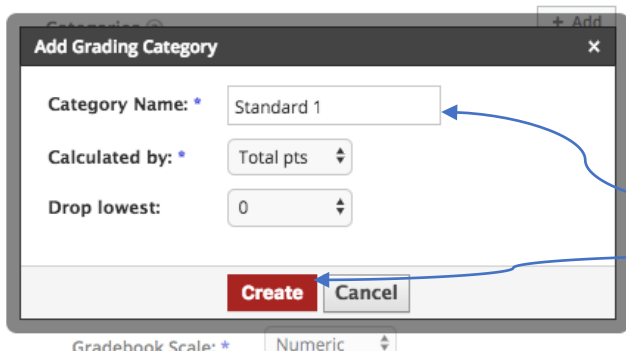

* Before you begin, you might want to [link your sections](#). You should do this if multiple sections will have the same assignments and standards.

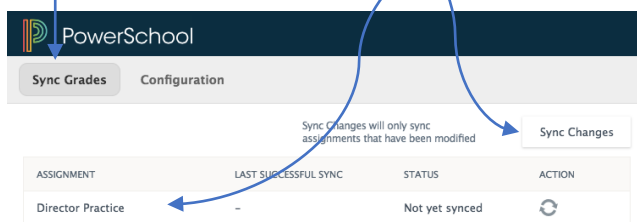

- Open one of your courses
- Click on Grade Setup
- Click on Add

- Create the same categories that you made in PowerSchool
- Save Changes
- Click on PowerSchool
- Click on Configuration
- Match up your categories
- Save Changes

- Click on Sync Grades
- Assignments will show in the list
- Click on Sync Changes

After a few minutes, the grades will appear in PowerSchool!
